

Premier Update/Reminders

Important Dates:

- MSPSP Sponsorship Application Deadline (those who didn't apply in June): November 30th
- MSPSP Sponsorship Acceptance Notification December 5th
- MSPSP Team Registration Information due to WMYSA December 20th

Updated Information (Forms have been updated on the website)

- The application process has been simplified. Previous years there was confusion as to whether a younger MSPSP team had to apply in both the fall and spring seasons. The new application allows teams to select the season(s) they are applying for.
- Starting this Fall, WMYSA requires all teams sponsored into MSPSP to upload their registration information into their team account rather than dropping them off. This new system will consist of four possible separate uploads:
 1. *Team Document Form*
 2. *Early Passcard Request Form*
 3. *Player Contracts*
 4. *New Coach License*
- **Spring only teams:** To be considered to have properly registered with WMYSA on time, the team must have completed the below by December 20th. If all items below are not completed by this due date the team will be assessed a \$75 late fee.
 1. *Spring Team Document Form uploaded into team account.*
 2. *Players and coaches listed in GotSoccer*
 3. *Team entered in the WMYSA age verification event.*
 4. *Team entered in the MSPSP scheduling event.*
- **Returning Teams:** To be considered to have properly registered for the spring on time, the team must have completed the below by December 20th. If all items below are not completed by this due date, the team will be assessed a \$75 late fee.
 1. *Spring Team Document Form uploaded into team account.*
 2. *Players and coaches listed in GotSoccer*
 3. *Team entered in the MSPSP scheduling event.*
