4. Event Registration Commitment Information:
 - a. To be placed into the spring season, you **MUST** meet the minimum roster requirement policy.
 - b. Primary Home Team Field/Venue: (location of where you play home games)
 - c. Head Coach Integration is for coaches who are the head coach for multiple teams within WMYSA. If a team is in an Elite Division with Self Scheduling, then they are not part of the integration process. The Academy Program coaches cannot be integrated as part of the scheduling since they are managed separately from the game scheduling.
 - d. How many teams for only needs to be answered of you answered “Yes” to integration.
 - d. Age Division of Play - this is the Division level you want to play - not necessarily the roster age of the team.
 - e. Level of Play - this lists all potential division levels:

West Michigan Youth Soccer Association

EST. 1983

- i. Elite is for U12 and older
 - ii. Level: A is top level and C is rarely used, but signifies the team wants to play in the lowest division possible.
 - iii. Academy is our 7U & 8U ages. They do not pick blackout dates since this is a Sunday afternoon jamboree set up by the league (4 dates).
 - f. If your team (whether requesting Elite or Select) needs a blackout date for any reason, this would be "Yes." Reasons to think about needing blackout dates: tournament, school events (track meets, prom, graduation), church events (confirmation, 1st communion) where a significant number of players on the team would not be able to come on the particular date. Limit will be 2 for the Spring season to request.
 - g. Comments: If there is any specific information needed to support placement, please put it here.
5. Schedule Requests - for blackout dates, you need to click on the date. It will come up with red lines across the date to indicate the team cannot participate in any WMYSA games on this date. Reminder: WMYSA will not schedule games on Easter, April 21st or over Memorial Weekend, May 25th/26th.
 6. Contact Information - should have the coach/contact person information already populated. Please update any information to make sure WMYSA and opponents have a way to make contact with the team.
 7. Team record – you may skip this information unless you would like supporting documentation of a Request.
 8. Application Agreement - check box indicating you agree the team is forming and planning to play this 2019 Spring Season, if the team drops then there may be WMYSA sanctions and fines.
 9. Submit Application - once you click on the Submit button, you have completed the Commitment process which includes the Division Placement Request and the blackout dates for the 2019 Spring Season.
