Voluntary Release can be granted for any reason and means the removal of a player from a team's roster at the request of the player or parent/guardian with consent from the team coach or club representative. In the event a player is granted a voluntary release, they are not eligible to be added to another team associated with MSYSA for the remainder of the seasonal year until the team/club released from authorizes it.

An Involuntary Release means the removal of a player from a team's roster at the request of either the Club or Parent/Guardian of the player without the other party's consent. An involuntary release will be granted only if the player is unable to play for one of the following reasons:

- The original team suspends operations for the remainder of the seasonal year or
- The player has violated existing rules and has been suspended for a period greater than five (5) games or.
- The player is injured will not be able to participate for the remainder of the seasonal year or.
- The player moves to a new address, a distance that would make it impractical to continue with the original team or
- The player has demonstrated an inability to continue in participation on the soccer team.
- There are mitigating circumstances, which in the opinion of the Board justify a release.
